Procedures: Registration must be completed in person, or by someone acting for the registrant. Registration may not be completed by mail. Transcripts of previous educational records are not required, but graduation from high school, or the equivalent, is the general prerequisite for all courses. In addition, the more advanced courses have specific prerequisites. These are listed in the descriptions contained in the catalog. Copies of the catalog are available in the personnel and training offices of agencies of the Federal Government and in the Graduate School office.

Fees: The charge for tuition is ordinarily \$16 for each credit hour, payable at the time of registration. Arrangements can be made to pay one half of the tuition at that time, in addition to a \$1.00 service charge. The second payment is due by June 13.

Late Registration: After May 31, a \$2.00 late registration fee is charged for each course. Late registrations will be accepted through June 6, with permission of the Registrar, if space permits.

Course Transfers: Until June 6, students may transfer from one course to another without extra charge. After that date, there is a transfer fee of \$1.00. Transfers may be made only with the permission of the Registrar.

Veterans: A veteran eligible for training under the Veterans Readjustment Benefits Act of 1966 (Public Law 89-358) should consult the Registrar well in advance of registration so that approval can be obtained from the Veterans Administration.

Government Employees Training Act: If a student plans to ask his agency to pay all or part of his tuition under the training legislation (Public Law 85-507), he should make these arrangements well in advance of registration week.

Credit-Audit Changes: The deadline is June 20.

Academic Credit: Any student wishing to receive academic credit elsewhere for Graduate School courses should consult in advance with the college or university in which he plans to take a degree.

Textbooks: Textbooks can be purchased at the Graduate School Bookstore, Room 1419, South Building, during the following hours:
